

Head's Lines

Welcome back to the new school year.

We really hope you all had a wonderful summer break and are excited about the new school year ahead.

There is lots to look forward to this year – with OPAL play starting, a new 2 year old nursery, Phizzi lab for science as well as all of the planned experiences we have for children.

We thank you for your support in everything we do.

Attendance

Attendance will continue to be a key focus of this academic year. We will monitor all children's attendance as children who are in school, learn more and are more equipped for life-long experiences.

We ask you to book holidays outside of the school term, within the school breaks to allow this to happen.

Thank you.

We are delighted to plan our meet the teacher events next week. During this time, teachers will share a little bit about their new year groups as well as homework and reading expectations.

This is an opportunity for you to ask any questions that you may have and to meet your child's class teacher.

If you need to bring children with you (older children, please do attend) and they aren't able to sit and listen, we can find a space for them to play during the meeting.

We hope you are able to attend.
